Updated Village Hub Floorplan

We are excited to share the updated floorplan for the Village Hub, as designed by Destination Homes Australia.

The Hub will encompass all the same features as before, but with a new layout to better achieve the goal of having a flexible, multi-purpose facility designed for all residents to enjoy.

The orientation of the building has been re-positioned to be north facing. The south-side verandah, which still faces the pool, will be under the main roof line to provide year-round protection, and the kitchen is now an open plan design for a welcoming and casual setting.

"With the amenities block being demolished before the end of the month, we are on track to pour the slab by the end of October" - Darren Disbury.

"Every
great design
begins with
an even
better
story."

Demolition Notice

From the 21st of September to the 25th of September, Royal Park Salvage will be onsite to complete the demolition of the amenities block.

Royal Park Salvage is one of SA's most experienced demolition and salvage businesses, who understand our unique community and will endeavour to minimise disruption to our residents where possible.

All residents will receive a separate notice in regard to the potential asbestos removal from Royal Park Salvage.

“Rise above
the storm
and you
will find the
sunshine.”

“You will face many defeats in life, but never let yourself be defeated.”

SAVE THE DATE!

Village Open Day

Saturday

26th September

11am to 2pm

We have taken the necessary steps to ensure that the Open Day will be a covid safe event, with a COVID marshal on site to ensure all participants adhere to the current SA Health guidelines for hosting an open inspection.

Riverland’s own Little Miss Daisy Pop Up Caravan will be on site serving coffee and cake, at no cost to our residents.
